Dear parents and carers,

### Sports Days

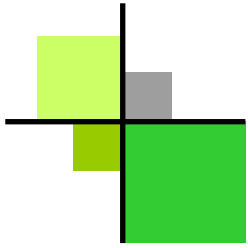

We had so much fun at our Sports Days. It was lovely to see the sun shining and fantastic sportsmanship. In fact, Archie received a Random Act of Kindness this week for his support of other children during Sports Day. Well done, Archie!

## Mrs Boardman's Special Certificate

My special award this week goes to Piper. She has worked so hard on her story writing this week— and all this was done outside of her lessons! Well done!

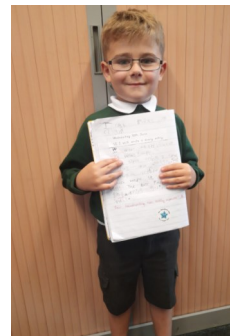

## RAK

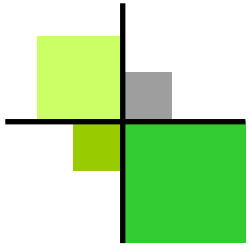

These RAK this week make me so proud to be part of the Styal Primary School community. Kindness means everything!

## Great Work

I have been impressed this week by Sammy's DT work and Jenson's descriptive writing. George also wowed his new high school and earned himself a special certificate.

## Global Citizens

This week in our whole school assembly, we have been learning about what makes a good global citizen. Taking part in community projects is just one way! Here are some children who have been caring for their world and their community. Tilly, Robin and Max have been litter-picking in Styal. They are showing amazing community spirit and kindness.

Autumn, Lola and Joad have been supporting neighbours they know well by calling on residents (with their families) to see if they needed help like watering plants. How lovely to support their community! We are so proud!
