

Parent, Carer and Visitor Behaviour Policy

September 2023

Our aim is:

That parents / carers / visitors communicate within the school environment in a pleasant and courteous manner without causing distress or offence to adults or children.

Expectation:

That parents / carers / visitors set a good example to children at all times, demonstrating how to get along with all members of the school and the wider community.

Rationale

The Governing Body and headteacher strongly believe that our school should be a welcoming and safe place for our children, staff, parents, carers and visitors alike, and that our parents share that belief. We have legal responsibilities for the safeguarding and wellbeing of our children and staff, and a duty of care to all users of our school.

We want all parents and carers to be confident that there are arrangements in school to keep their children safe. As part of our safeguarding procedures, the school has put in place this Parent, Carer and Visitor Behaviour Policy to ensure that behaviour from parents, carers and visitors does not cause the children and staff in school to feel distressed, threatened or unsafe.

All adults who enter our school site at any time set examples of behaviour and conduct which influence children and young people. We believe that they should therefore demonstrate high standards of conduct in order to encourage our pupils to do the same. Parents, carers and visitors must show respect to all other parents, carers, children, staff and visitors.

All members of staff have the right to work without fear of violence and abuse and we expect parents, carers and other visitors to behave in a reasonable way at all times.

Adults who do not behave in an acceptable manner may be asked to leave the site and the headteacher has the right to further restrict their access. This policy highlights our expectations in respect of the conduct of parents, carers and visitors to our school and outlines the steps that will be taken where behaviour is considered to be unacceptable.

Our Values and Ethos

Our values and ethos permeate every part of school life. At Styal Primary School we are:

Resilient
Unique
Confident
Kind
Safe
Ambitious
Caring
Knowledgeable

Kindness, caring and safety are key to this policy. We may not always agree but we can seek to be peaceful problem-solvers, ever open to and appreciative of each other's points of view.

If parents ever have an issue they would like to discuss in school the procedure to follow is:

- Speak to the class teacher
- If the problem is not resolved, make an appointment to see Mrs Boardman (headteacher) or Mrs Chignell (deputy headteacher).

Behaviour that is deemed as unacceptable includes:

- Shouting, either in person or over the telephone
- Inappropriate posting on social networking sites or school WhatsApp groups
- Speaking in an aggressive / threatening tone
- Physically intimidating behaviour, e.g. standing very close
- The use of aggressive hand gestures / exaggerated movements
- Smoking, vaping, taking drugs on the school grounds
- Attempting to gain access to the school buildings with disregard of procedure and without permission
- Entering the school site whilst under the influence of alcohol or drugs
- Bringing dogs onto the school site, with the exception of assistance dogs, without the explicit permission of the headteacher
- Damaging or destroying school property
- Displaying signs, sending messages or handing out notices which could cause unreasonable upset and / or harm to any member of staff, governor, parent or child
- Physical threats
- Shaking or holding a fist towards another person
- Swearing

- Pushing
- Hitting e.g. slapping, punching or kicking
- Spitting
- Racist or sexist comments
- Parents / carers must not approach, chastise or shout at children on the playground under any circumstances.

Please report any concerns to a member of staff.

Social Media

On occasions, some parents may be tempted to make comments about the school, school staff, other parents or carers and/or pupils on social media. Social media is not the forum for raising concerns or complaints about the school. If parents have a concern about the school, they can raise their concern directly with the headteacher and complaints can be raised through the school's Complaints Procedure.

In the event that any pupil or parent / carer of a pupil is found to be posting inappropriate comments on social media **including Whatsapp**, they will be reported to the appropriate 'report abuse' section of the social media site and consideration will be given to taking further action. Making potentially defamatory, offensive or derogatory comments about others on social media could have legal implications. The school will expect any pupil or parent / carer to remove such inappropriate comments immediately.

Possible follow up actions:

The school reserves the right to take any necessary actions to ensure that members of the school community are not subjected to abuse. If parents become abusive at any time on school premises they will be asked to leave.

School premises are private property and parents have been granted permission from the school to be on school premises. However, in case of abuse or threats to staff, pupils or other parents, school may ban parents from entering school and its grounds.

It is an offence under section 547 of the Education Act 1997 for any person (including a parent or carer) to cause a nuisance or disturbance on school premises. The police will be called to assist in removing the person concerned.

School is not responsible for organising arrangements for children in the above circumstances. Parents will need to provide alternative arrangements for bringing children into school.

School will offer staff a debriefing session if they have been subject to an aggressive parent meeting. Staff should have chance to discuss it in confidence with SLT or a governor.

Barring from the school site

The school has the right to bar a parent from the premises to keep the school community safe.

The school will either:

- Bar the parent temporarily, until the parent has had the opportunity to formally present their side.
- Inform the parent that they intend to bar them and invite them to present their side.

The headteacher will send a letter to the parent, informing them of the following information:

- Why they have been temporarily barred or face a bar
- The nature of the bar, i.e. if they are temporarily barred pending their representation or if they must present their side before the decision to bar can be made
- That they have the right to formally express their views on the decision to bar in writing to the chair of governors within 10 working days

Review by Chair of Governors

The headteacher's decision to bar the parent will be reviewed by the chair of governors. The chair of governors will take account of any representations made by the parent and decide whether to confirm or lift the bar. The parent will be notified in writing of the decision to uphold or lift the bar. If the decision is confirmed, the parent will be notified in writing, explaining:

- How long the bar will be in place.
- When the decision will be reviewed.

Decisions to bar will be reviewed at the end of the agreed timescale, in line with the process outlined above.

Following a review, the bar may be lifted or, if there are grounds for continued concern regarding the parent's conduct, it may be extended.

Once the appeal process has been completed, parents that remain barred may be able to apply to the Civil Courts. If a parent wishes to exercise this option, they should seek independent legal advice.
