3.30 Gym Club

Thursday 27th June

Y3 / 4 swimming

Y1 / 2 Forest School

3:30 Art Club

Friday 28th June

3.30—5pm Summer Fair

PLEASE SEND IN DONATIONS OF SHOP BOUGHT CAKES AND BOTTLES AND LUXURY GOODS TO CLASS—THANK YOU

Dear parents and carers,

Dress in Yellow for Cystic Fibrosis and Cake Sale

This week we raised awareness for cystic fibrosis and raised money for Wythenshawe Hospital paediatric CF ward. Children wore something yellow, donated £1 and sent in cake for the cake sale. It is such a worthy cause and is something that is very close to our hearts at Styal. Thank you for your support once more.

Boys' Football Team Success

Mr Smith has never been so proud of the football team! Due to illness we were down to 6 players in 7 a side matches. We played 5 group games and finished top of the group. We played so well and with great sportsmanship but unfortunately, lost the final. The tournament organiser said that in 23 years of running the competition, he has never seen a team get to the final with only 6 players. We are so proud of the team. Thank you to Mr Smith for coaching the team too—well-deserved success!

Mrs Boardman 01625 917280

STYAL STARS OF THE WEEK

Reception: Elsie

Year 1: Isobel

Year 2: Eva

Year 3: Max

Year 4: Annabelle

Year 5: Mia

Year 6: Oscar L

Attendance

Aiming for Above 95%

Winners on Friday of the attendance award was

Y1 / 2 with 90.04%

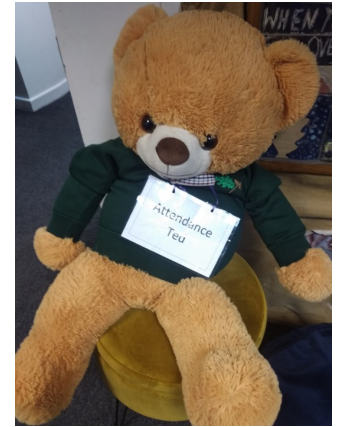

Whole school 86.34%

Rec 81.75%

Y1/2 90.04%

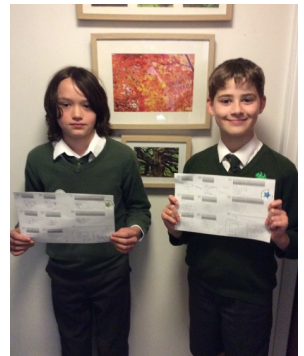

Y3 / 4 87.15%

Y5 / 6 84.31%

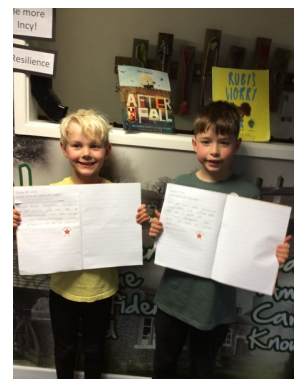

Great Work

Joad and Archie excelled themselves in their Maths lessons this week. I was so proud of both their effort and attainment in algebra . This is a tricky concept and the boys did so well.

Dax and Angus have both been writing about orang-utans. Their presentation was amazing and so much progress in a short space of time. I was impressed with handwriting joins and a range of punctuation. Well done, boys!

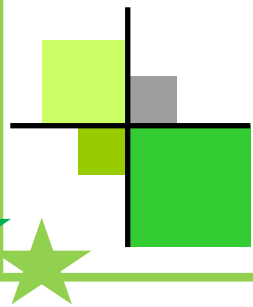

Random Acts of Kindness

In English this week, Jacob loved taking part in the 'nature narrators' work. He told me about learning about toucans and orang-utans. Jacob very kindly helped another child to read a tricky word.

Daisy and Daisy were both praised this week for litter picking during After School Club. Thank you girls for your kindness.

Nature Narrators

Year 1/2 have been nature narrators this week and have role played being David Attenborough. They have researched facts about orang-utans, wrote their own fact files and then shared facts these amazing animals.

Sports Day Reminder—Tue 9th July

This year, our Sports Day has an Olympics theme. Fingers crossed for fine weather...it is due to be held from 1.15pm—3.20pm on Tuesday 9th July. If the weather is too poor (we will text by 10.30am on 9th if it needs to be rearranged), Reserve Sports Day will be Monday 15th July.

Please send children into school wearing their PE kits. Coloured bands to show house teams will be distributed to the children during the day.

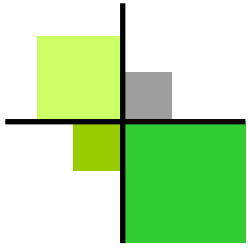

This is a run down of the afternoon's events...

- 1.20 Whole school 'procession of hoops', Olympic torch carried by youngest and oldest child in school and procession of flags.
- 1.40 KS1 track races and KS2 group activities
- 2.20 KS2 track races and KS1 group activities
- 3.00 Scores totalled and winning team announced—trophy presentation and lap of honour

Each group will have a rest break scheduled in the afternoon and will have a chance to taste a selection of fruit from Mellor's Hydration Station.

Safeguarding at Sports Day—Having Fun but Being Safe

1. Benches and chairs (situated between the playground and field) will be provided for parents / carers. This is so families can see both the track and activities from this **one vantage point**.
2. Although tempting, please do not call the children over to you, as staff need to ensure they are supervising their full group.
3. At the end of the day, at approximately 3.20pm, the children will go back inside with their teachers and then will be released at the end of the day as per our normal procedures. This will ensure everyone is safe.

KS1 Stay and Make

Children in KS1 had a fantastic afternoon creating lighthouse masterpieces.

This linked with our History topic on the seaside. Year 1 / 2's text of 'the Lighthouse Keeper's Lunch' really inspired some of our children. Thank you to parents / carers for supporting this event as usual. It really does engage our children in their learning.

Year 3 / 4 Victorian Day at Quarry Bank Mill

This week Year 3 and 4 were lucky enough to be invited to participate in a Victorian workshop at Quarry Bank Mill, linked to their current History topic. Our children explored the various jobs that children of the Victorian era were expected to have, from working in the coal mines to spending twelve hours a day in the factories and mills. They had a tour of the mill, hearing the stories of young children just like them and compared how different life was. They manipulated coins from the past, and worked collaboratively to 'purchase' items using these coins. Mrs Yardley-Goldrick was particularly proud to see that the children were bridging back to their classroom knowledge when talking to staff at the Mill. They were also asking brilliant questions, demonstrating their thirst for knowledge which is always wonderful to see!
