Forest School

Children in Year 1 and 2 and Year 3 and 4 had their first Forest School session this week. The children were excited to be back in the outdoors making journey sticks, bird feeders and their highlight was finding this great crested newt below!

We will continue to add more photos on the website under Personal Development/ Forest School.

Considerate Parking

Please **do not** park in the Residents' Car Park. This is for residents only.

Parents are welcome to park at Quarry Bank Mill and walk the short distance to school or park on Altrincham Road.

Please be respectful and do not block the Residents' Car park by blocking the gates. Residents need to have access to this exit at all times.

Thank you.

Great Work

Willow worked with precision using scissors to carefully make her snake. She listened to and followed the instructions given by her teacher.

Well done Willow.

Headteacher's Award

Rees impressed Mrs Hennessey with his excellent knowledge of the world by locating Mount Everest in Nepal on a heat map in class. He was able to explain how he knew by looking at the different colours on the map and by his research at home about different places in the world.

Random Acts of Kindness

Sophia was given her Random Act of Kindness when she went to help a friend in need. Hans was recognised by his teacher for being incredibly kind to one his friends when they had a splinter and looked after her.

This Random Act of Kindness was awarded by a parent who had let us know just how impressed she had been with the caring and kind attitudes of Kobe, James, Jacob and Elliot to her son whilst at PFC on Monday after school. It is nice to hear that your kindness is not just for the school day but all the time.
