Great Writers at Styal

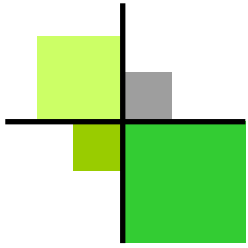

Bonnie and Hans have been working hard on their letter formation whilst Robin used adventurous vocabulary in his work. Dax, Jacob and Elliot impressed Mr Smith with their 'Old Bear' stories this week. Well done to you all.

Alec blew us away with his incredible writing. He chose his favourite paragraph so we could share with you.

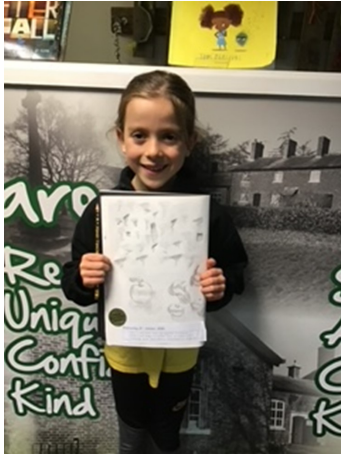

'As the morning sun rose, so did his hope. He decided to open the bag of seeds. As he poured them into his hand, he saw a small sparkle. Pulsing with energy, he could not understand. A zephyr wrapped around him, whispering a forgotten land with many interesting secrets. He felt a pinch on his hand as if the seeds were trying to tell him more. Could this be the chance he needed? Could this be the glimmer of hope he has been waiting for? He drifted off to what he thought was a vision, a vision of a bright and beautiful city.'

Even More Great Work!

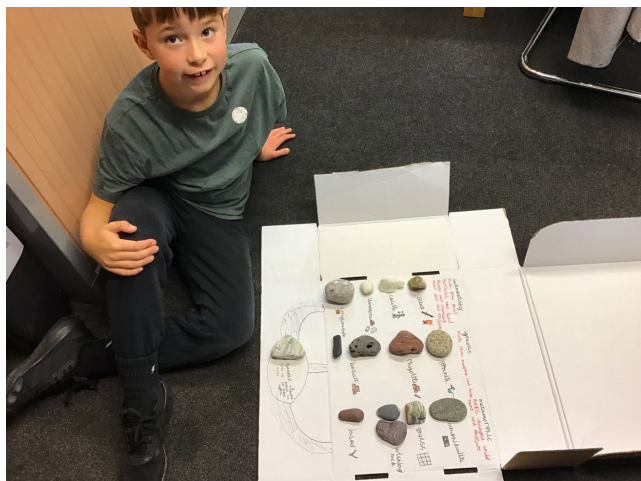

Marta's sketching of fruit was simply mind blowing paying close attention to detail. Mia showed resilience when calculating using known facts. Her working out

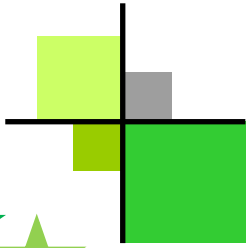

showed the steps she had taken to get to the answer.

Headteacher's Award

Angus has been inspired by his science topic on Rocks by making his own rock catalogue. Mrs Yardley-Goldrick was so impressed by his knowledge of so many varieties of rocks.
