New addition to the playground

We would like to say thank you to Quarry Bank Mill who have kindly gifted school 5 beautifully carved totem poles which display the local area, including the River Bollin and nearby places of interest as well as mini beasts we see in our local habitats.

We are holding our first **Open Morning** of the year on Thursday 24th October. Parents are invited in to their child's class at 8.45am so children can share the learning they have done so far this term.

If you have more than 1 child in school, please start with the youngest. We aim to bring the session to a close at 9.15am so the morning session can start.

Great Work

It has been a bumper week for good work. Sisters Olivia and Isobel carried out some research on Jamaica inspired by Olivia's geography topic whilst Evelyn, Esme and Emilie shared their writing about a bear with a black shiny nose. Seraphina shared her fruit sketching and Marta worked independently adding across the tens. Valentina listened to feedback to join her writing for her instructions. Look at these proud smiles!

Alfie and Joshua sequenced their Bear Hunt story perfectly. Jyoji and Devon have crafted beautiful pieces of writing for their story with ambitious vocabulary and conjunctions. Mrs Yardley- Goldrick praised Pixie for her determination to add and subtract 4 digit numbers.

Headteacher's Award

Devon has been awarded this week's certificate for his perseverance with his presentation over the term. The writing he brought to me showed just how much effort had been put in. He recognised the difference from the start of the term and knows there's no going back!

To buy tickets for the Halloween Disco on Thursday 24th October, POS will be selling tickets before and after school on the playground from Monday 21st October.

Random Acts of Kindness

Zack helped someone who had fallen over, checking that they were OK whilst Jyoji offered someone his hockey stick so they could have a turn at the game. Angus searched for someone's glasses knowing they might not find them by themselves and Pixie was nominated by a friend for her kindness and support at lunchtime.

Eva and Izzy were nominated by a friend as they offered to play when they saw their friend on the friendship bench. In addition to this, Izzy has been spotted by staff showing such kindness to the younger children this week at lunch time, giving up her play time to support and encourage them to play.

Oscar has been highly praised this week by Mrs Hennessey for his persuasive writing and so he should. It was a powerful piece of work.

'Unfortunately, our once beautiful and magical city was turned into a scary and dirty wasteland. It is down to you petty criminal, just look at the mean city you have created. Because of you, mean thief, people are losing their lives and you need to stop being so selfish. This is why you have found my letter. We are weak and we need help.'

Hockey Festival

Some children attended the Hockey Festival at Ryley's Field on Thursday. Despite the rain, the children managed to keep smiling and practise the skills they had been shown such as where to hold the hockey stick and dribble.

Hockey continues to be very popular at Styal and is played by so many of the children at lunchtime so it was nice to see the children return with some expert advice.

Drop In Session from the Mental Health Support Team Tuesday at 2.45pm (in the hall).

Hannah and Amy from Cheshire East's Mental Health Support Team will be in school on Tuesday available to speak to any parent who would like some help, advice or support for their child or the family.

Please come to the hall at 2.45pm
Coffee and tea will be available.
