On Thursday, the football team played 2 matches drawing with Lacey Green 0-0 and Pownall 1-1. Mr Smith was so proud of this determined team and the sportsmanship displayed. Well done!

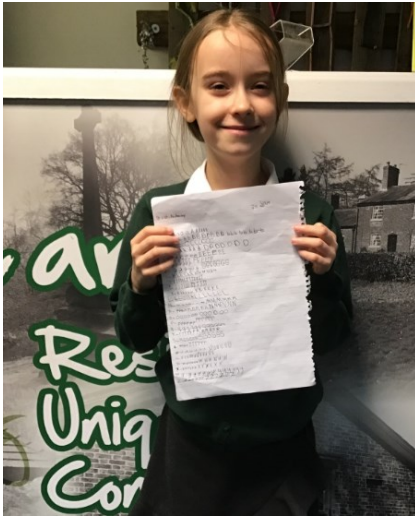

This week, both Isla in KS1 and Autumn in KS2 were given the award for showing excellent listening skills and creating some fantastic movements within a routine.

Great Work

Sophia brought in her handwriting practice from home which she was particularly proud of whilst Olly demonstrated excellent addition skills using place value grids and tens and ones to prove his answers.

Willow and Evelyn's sentences about their new book 'The Something' had fingers spaces and super spellings.

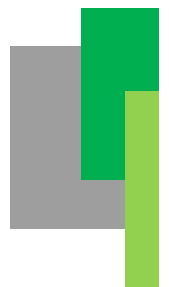

Headteacher Award

Before half term, the Headteacher Award was not celebrated on the newsletter.

The award was given to Seren and Theo which was actually nominated by Mr Docherty. He wanted to celebrate the children who had given him some extra help at the end of the Halloween Disco with clearing up.

This week, the award went to Annabelle. Annabelle had worn a crochet scarf which caught my eye at lunchtime. When we chatted about it, Annabelle explained she had been learning a new skill and had been working on the scarf after school and the weekend. Learning a new skill was part of the challenge set in our Mental Health Awareness Week assembly last term.
