Christmas Light Switch on– Sunday 24th November

Children in KS2 (Y3,4,5 and 6) have been practising songs for the Christmas Light Switch on in Styal on Sunday.

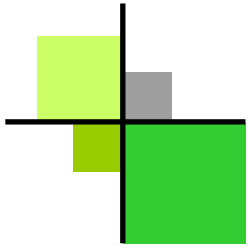

Please can singers meet at the War Memorial from 4.15pm. Singing is due to start at 4.45pm. However the invitation to join is extended to all children. Styal Village Association have organised the event which starts at 4pm with a Bauble Hunt and the lights switch on from 5.15pm.

Mrs Mc Clendon

I wanted to share that Mrs Mc Clendon has made the decision to leave Styal Primary School after 20 years as midday supervisor and volunteer. She has played a very active role in the life of the school not only as a midday but running baking and art club as well as putting on several craft sessions at various times in the year for the children. She has also been part of POS and a staff governor too.

We would like to wish her well in her new adventures with her family.

Keeping the school grounds tidy.

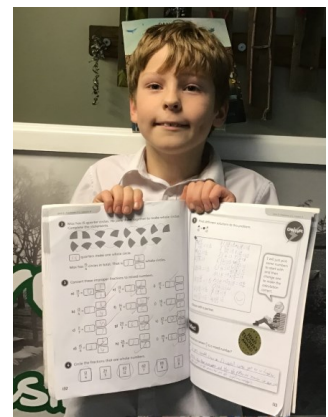

Pesky squirrels can sometimes cause the playground to become untidy after break so Freya decided this week to do something about it. She enlisted the help of a few volunteers to collect the litter they had stolen from the bin.

Great Work

James was celebrated by Mr Smith earlier this week for his work on equivalent fractions. He was determined to reach the challenge of what was a very tricky mathematical concept.

Delamere

Children in Year 3 and 4 took part in a Stone Age Experience in Delamere Forest this week. Despite the chilly weather, the children had fun recreating what life was long ago for the Stone Age civilisation.

5 and 6 Outcomes Morning

Year 5 and 6 have been learning about North America. The children were set the challenge of researching one of the countries and creating an information poster for their families. They then made quizzes and games to test their knowledge. The work was completely their own and Mrs Hennessey and Mrs Holliday were very proud of them.
