Reindeer Rush

This year, we will be supporting East Cheshire Hospice by way of a Reindeer Rush in school. It will take place on Monday 16th December in school. Details will be sent out to families soon.

Mr Smith's PE Awards

Our PE sessions this term focus on dance. Isla in KS1 has been chosen for her technique and helping others whilst Mia in KS2 has shown confidence performing her piece and working well in a small team. Well done!

Great Work!

Mia and Olivia were a credit to the school this week when they met some visitors to talk about their science work. They spoke with confidence and knowledge and I was so very proud of them.

Angus was inspired by his Stone Age Day at Delamere and made his own tools and weapons at home.

Frankie's independent writing made Mr Smith very proud this week whilst Ava showed excellent scientific investigation skills with her detailed conclusion after her soil experiment in science to find the most permeable.

Headteacher's Award

I am so lucky to support at Coding Club as I get to see the future computer wizards in action. The children are currently designing their own comic with graphics and I could not be more proud of Loic for his determination and efforts over the last few weeks.

Considerate Driving and Parking

Parking is a topic that is discussed regularly at Styal mostly due to the inconsiderate parking that is reported to us.

Parking and driving safely is a priority for our children.

You must **NOT** park or drop off children at the cross adjacent to Norcliffe Chapel. This causes congestion and can put children at risk when walking to school along the cobbles or entering the green.

You must **NOT** park in front of the residents car park which is clearly marked by a gate. This access **MUST** be kept clear at all times in case of an emergency.

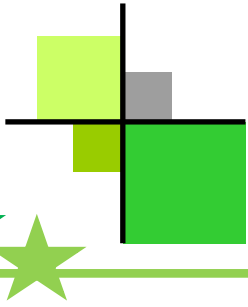

The Cricket Club offer their car park to ease congestion on Altrincham Road. Please park here responsibly and respectfully.

Unless you have been issued a parking permit, please do not park in the staff car park.

If you do need to drive along the cobbles to enter the staff car park, please observe the speed limit.

Quarry Bank Mill offer every family additional free parking in their main car park.

Our priority is always the safety of the children and their families.

Random Acts of Kindness

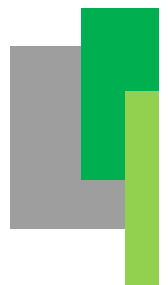

Seb showed kindness to the teacher this week offering his help without being asked which really made her smile.

Rees and his class have been making their own pastries with fillings this week (Photos on next week's newsletter) and was spotted by Mrs Holliday lending a hand to a friend who needed some extra help.

Year 3 and 4 have now reached a total of 25 Random of Act of Kindness' for their class and will be in discussions next week about their reward.

Thank you to all our children who spread kindness around our school.

EXCITING ANNOUNCEMENT: NEW IT EQUIPMENT!

Thanks to your generous support and participation in POS activities, we've successfully acquired **17 iPads** for the school, complete with covers and a management plan.

These devices will allow entire classes to use iPads simultaneously, rotating throughout the school.

**A HEARTFELT THANKS TO EACH
AND EVERY ONE OF YOU.**

The Big Give

Wilmslow Youth is a local charity which supports our Year 6 children as they prepare to move up to the high school. They also offer an after-school Youth Café, wellbeing workshops, parent/carer workshops and counselling to all secondary school children in the Wilmslow area - everything they do is totally free to access. The following video gives you more information on what they do as well as details about how you might consider supporting them during their Christmas campaign which runs from Tuesday 3rd to Tuesday 10th December.
